

East Herts Bowls League and East Herts Bowling Association Knock Out Competitions 2023

We are being asked to provide entries for the knockout competitions being run by the East Herts Bowls League and the East Herts Bowling Association Here is what you need to know.

East Herts Bowls League:

There are a number of different types of competitions –

**Men's Singles; Men's Pairs; Mixed Pairs;
Men's Triples; Men's Fours.**

They will start to be played from Mid-April onwards leading up to a finals day in September

You can only play in one team in each match type.

They can be played any day and at any time. Your team captain (or you if you are a captain or playing singles) will agree date and time with the opponents.

The Competition draw will designate if it's a home or away fixture. Dress code is club shirts and greys.

What I need to know is:

Do you want to enter a team?

This means that you will be responsible for finding players to play with you and organising and playing in the match

Do you want to enter a singles competition?

Do you want to play in someone else's team?

East Herts Bowling Association

These competitions are similar but different.

The competitions are as follows:

Men's Singles;

John Simmons Singles*,

Four Wood Men's Pairs,

Two Woods Men's Pairs;

Men's Triples;

Men's Fours PLUS two team competitions:

The New Lyndhurst trophy is played as Two Triples (one home, one away) which are played simultaneously

The New Thurgood Cup is played as Two Fours (I don't think this is a simultaneous home and away).

*The John Simmonds Singles is a 4 Woods Singles Competition, consisting of 3 Sets of 7 ends a set

They will start to be played from Mid-April onwards leading up to a finals day in September

Ladies competition's will be announced at a later date.

Costs

You have to pay £1.50 to register for the League– (if you are a league team player you have to do this anyway) AND the Association and then basically each person in a team pays £1.50 to be in that team – you do not have to pay anything for each match you play in – except for buying drinks if customary).
